Overview

Introduction

The Commonwealth Accounting Policies and Procedures (CAPP) Manual is written and published by the Department of Accounts (DOA) to provide authoritative guidance on the application of accounting policies, procedures and systems pursuant to Section 2.2-803 of the Code of Virginia.

The CAPP Manual provides a standardized approach to fiscal and accounting matters within the authority of the State Comptroller. The manual is organized by Volume, Function, Section, and Topic. Each page of the manual reflects the format presented at the top of this page.

Web Access

The CAPP Manual is shown in pdf format at the Department of Accounts website as follows:

Revision and Maintenance of the Manual

The CAPP Manual is designed to facilitate inclusion of both new procedures and revised procedures. A master control copy of the manual is maintained by Electronic Publishing Unit that is responsible for coordinating updates to the manual and for distributing new or revised policies and procedures to State agencies.

Agencies are encouraged to recommend revisions to any part of the manual. A Documentation Change Request form is located at the end of this topic for recording and submitting suggested changes to the DOA Electronic Publishing Manager. Photocopy this form, complete the entries, and submit recommendations to:

Revision Control

*The CAPP Manual is located in its entirety online in .pdf at http://www.doa.virginia.gov/Admin_Services/CAPP/CAPP_Main.cfm.*

*Revised CAPP Manual material is converted from text to .pdf and uploaded to the CAPP Manual website in consecutively-numbered, Update Bulletins which are posted at the website. The respective, revised topic is overwritten at the CAPP Manual’s website location so that the current version is available online.*

Upon receipt of each Update Bulletin, a revised CAPP Manual Status Summary provides a current recap of all topics and their respective release dates.

Revision Indication

When text revisions (updates) are published, text has a vertical line in the left margin and/or italics to identify specific items of change. *However, if a topic has had a major rewrite, no revision indicators appear.*

Notification of Revised Topics

When a CAPP Manual update consisting of one or more revised topics is moved to the CAPP Manual’s production, online website, Statewide Fiscal Officers are notified by e-mail. DOA’s Electronic Publishing Manager releases the e-mail. In turn, Fiscal Officers need to forward this communiqué to the agency’s CAPP Manual users.

CAPP Manual Website

Visit our website at www.doa.virginia.gov for online CAPP Manual. At DOA’s main page’s alphabetical index, click on CAPP MANUAL to access it.

CAPP Manual Online Search

You can search for CAPP Manual information easily and readily from each of the DOA website’s page banners. You have a choice of searching the entire DOA site or restrict your search to only the CAPP Manual by changing the radio button.

By keying in the Search DOA field, you can put in your specific CAPP Manual data needs, e.g., a CAPP Manual Topic No., references to specific words such as “expenditures,” or “cost codes,” and so forth.

When you press <GO> the site searches just the CAPP Manual and the screen returns with referenced hits.
