MEMORANDUM

TO: Fiscal Officers and 1099 Distribution List

FROM: Sharon H. Lawrence, Director
Financial Reporting

SUBJECT: Information Returns Reporting Schedule for Calendar Year/Tax Year 2013

The Calendar Year/Tax Year 2013 year-end information returns processing schedule is attached. All agencies should adhere to the year-end IRS processing schedule to ensure that all information returns are filed timely. Agencies not participating in the Department of Accounts' (DOA) 1099 Adjustment and Reporting System (ARS) should disregard the ARS references in this memorandum and in the attachment. DOA will provide additional communication(s) to address future 1099 reporting periods as new guidance becomes available.

For agencies participating in ARS, the Calendar Year/Tax Year 2013 information returns data is available in three formats: paper CARS reports via Reportline and remote print, an Advanced Micro Solutions, Inc. (AMS) download file, and an ASCII flat file format. The latter two options are accessible through FINDS for downloading on or after January 17, 2014. Downloading requirements vary with the 1099 reporting software used. See CAPP Topic No. 70805, *1099 Adjustment and Reporting System (ARS)*.

The first set of ARS reports contains the 1099 reportable transactions and adjustments processed from January 1, 2013 through November 27, 2013 (no transactions will be processed in CARS after November 27th for the month of November). These reports will be posted on Reportline on Thursday, November 28, 2013. Agencies should review these reports for accuracy and completeness. Agencies should examine all monthly and quarterly Potentially 1099 Reportable Transactions Reports to determine required adjustments. Adjustments to this information should be processed through the ARS by COB, on the final workday of the year, Tuesday, December 31, 2013.

DOA will post the second set of ARS reports on Reportline on Wednesday morning, January 1, 2014. Agencies will have through COB Wednesday, January 15, 2014, to process their final ARS adjustments for Calendar Year/Tax Year 2013. The final set of ARS reports will be posted on Reportline on Thursday, January 16, 2014.

DOA recommends the following procedures when preparing IRS 1099 Information Returns:

- Review the following CAPP topics for the IRS requirements for information returns compliance.
 - CAPP Topic No. 20319, *Electronic Federal Tax Payments Processing*
 - CAPP Topic No. 20320, *Information Returns Reporting*
 - CAPP Topic No. 70805, *1099 Adjustment and Reporting System (ARS)*
- Issue paper information returns to the recipients by Friday, January 31, 2014 for Calendar Year/Tax Year 2013. The due date is extended to February 17, 2014 if reporting payments in boxes 8 or 14.
- File paper information returns to the IRS using the required transmittal documents by February 28, 2014 for the Calendar Year/Tax Year 2013 or file electronically with the IRS using the FIRE (Filing Information Returns Electronically) system by April 1, 2014.
- Whenever 250 or more of a particular information return type are issued, agencies must submit those returns to the IRS electronically (no paper returns are allowed). Agencies unable to comply with this requirement should contact the IRS immediately and obtain a waiver. Please review the detailed requirements in **IRS Publication 1220** (Rev. 9-2012), *Specifications for Filing Forms 1097, 1098, 1099, 3921, 3922, 5498, 8935, and W-2G Electronically*.
- Report backup withholding taxes to the IRS, on the **Form 945**, *Annual Return of Withheld Federal Income Tax* by Tuesday, January 31, 2014 for Calendar Year/Tax Year 2013. Refer to CAPP Topic No. 20319, *Electronic Federal Tax Payment Processing*, for further guidance.
- To report taxable payments made to foreign citizens, file the annual **Forms 1042-S**, *Foreign Person's U. S. Source Income Subject to Withholding*, and the summary **Form 1042**, *Annual Withholding Tax Return for U. S. Source Income of Foreign Persons* with both the recipient(s) and the IRS on the same annual due date, which is March 17, 2014.
- Use **Form 1042-T** to transmit paper **Forms 1042-S**. For filing 250 or more forms electronically, refer to **IRS Publication 1187**, *Specifications for Filing Form 1042-S, Foreign Person's U.S. Source Income Subject to Withholding, Electronically*. Also review the requirements in **IRS Publication 515**, *Withholding of Tax on Nonresident Aliens and Foreign Entities for use in 2013*. Refer to CAPP Topic No. 20319, *Electronic Federal Tax Payment Processing*, for payment processing procedures through CARS and EDI.

Any questions should be directed to Penny Williams via e-mail at Penny.Williams@doa.virginia.gov or at (804) 225-3804. Please review the Due Dates Attachment shown on the next page.
