**Submission
requirements**

Contact DOA if the agency has any problems with the files.

A separate template must be completed for each agency fund specified in the Directive. After downloading the files, rename the spreadsheet file using the agency number followed by Att13-Fund Number. For example, if agency 151 has three agency funds, three attachments will be submitted. The attachments will be renamed as 151Att13-AF1.xlsx*, 151Att13-AF2.xlsx*, and 151Att13-AF3.xlsx*.

Note: Contact DOA if there are an insufficient number of rows on any tab.

Submit the Excel spreadsheet electronically to
finrept-agyatt@doa.virginia.gov

Please include **Agency Number** and **Attachment Number** in the **subject line** of the submission e-mail.

Copy APA via e-mail to APAFinRept@apa.virginia.gov.

Do not submit paper copies of the Excel attachment.

For your convenience, the yellow contact information cells have been linked to the remaining tabs. However, they remain unlocked to allow for more than one preparer to complete the attachment.

***Note: If the agency has an earlier version of Excel and has problems opening the attachment file, DOA can provide the attachment saved in an earlier version of Excel (.xls).**

**Attachment
revisions**

If attachment revisions are made subsequent to DOA acknowledgement of receipt and acceptance of the original attachment submission, **resubmit the revised attachment AND complete the Revision Control Log tab in the attachment Excel file.**

Enter the revision date, applicable Excel file tab name, row number and column letter revised, and the previous and revised information. Document text changes and numerical changes. Only enter changes for amounts actually keyed. For example, if a non-keyed, calculated total changes as a result of the revision, this does not need to be documented on the Revision Control Log.

If the attachment is revised more than once, do not delete control log revision information from the previous revision. Enter the new revision date and the additional revisions in the rows following the initial revision rows. This log should document all revisions from the initial attachment submission.

Include “**REVISED – date**” in the **subject line** of the submission e-mail as well as in the **file name**. Resubmit the revised attachment; and ensure that the **Revision Control Log** tab has been completed.

Each time a revision is submitted the Certification tab should be updated with new signatures and dates.

2. Cash, cash equivalent, and investment footnotes (**Tab 1A, 1B, & 1C**) are designed to obtain information for **GASBS No. 40**, *Deposit and Investment Risk Disclosures*, as amended by **GASBS No. 59**, *Financial Instruments Omnibus*. **GASBS No. 72**, *Fair Value Measurement and Application*, is effective for FY 2016 and includes guidance regarding fair value measurements. Certain provisions of **GASBS No. 79**, *Certain External Investment Pools and Pool Participants*, are effective for FY 2016. Refer to **GASBS No. 72** and **GASBS No. 79** to ensure a thorough understanding of the new reporting requirements prior to completing this attachment. Refer to **Attachment 23** – Schedule of Cash, Cash Equivalents, and Investments as of June 30, for guidance on completing these tabs. In response to agency requests, **Tab 1B** is not password-protected so that agencies may add additional rows when needed without having to contact DOA or copy and paste information into the sheet from their own records. In adding rows or copying information, care must be taken to preserve the existing spreadsheet layout and column and row labels. If rows are added, please also copy the “TYPE” and “INVESTMENT” descriptions at columns A and B and the formulas at columns N, U, V, and W.
3. **Nonnegotiable Certificates of Deposit:** Revised guidance is included in the instructions to the **Attachment 23** – Schedule of Cash, Cash Equivalents, and Investments as of June 30 regarding nonnegotiable certificates of deposit (CD) based on changes in the Implementation Guide No. 2015-1. Nonnegotiable CDs should be reported on the applicable “cash equivalents” template line item if the original maturity is 90 days or less and they should be reported on the applicable “investment” template line item if the original maturity is greater than 90 days. Nonnegotiable CDs should continue to be treated as “deposits” for GASBS 3/40 disclosures. No changes were made regarding negotiable certificates of deposit. The **Tab 1A-GASB 3-40** Part 2.1 has been revised to reflect this change.
4. Ensure that all spreadsheet tabs applicable to the data entered on the template are completed.

5. Due to the nature of the activity reported for Agency Funds, each template requires completion of a fluctuation analysis to compare current year activity to prior year activity for increases and decreases in those funds. The prior year amounts on **Tab 5 Additions Flux** and **Tab 6 Deletions Flux** will automatically populate based on the fund name selected on the template. **Variances of 10% AND \$10,000 or more must be explained.** In the fluctuation explanations, quantify the underlying reasons (i.e., management decision, trend, event) for the change; don't just state the item increased or that the item increased because another item decreased.
 6. **GASBS No. 76**, *The Hierarchy of Generally Accepted Accounting Principles for State and Local Governments*, supersedes **GASBS No. 55**, *The Hierarchy of Generally Accepted Accounting Principles for State and Local Governments*, and amends certain provisions of **GASBS No. 62**, *Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA pronouncements*. The Statement simplifies the structure of the hierarchy of GAAP to be followed when preparing financial statements in conformity with GAAP and outlines the order of priority for pronouncements to which a government should look for guidance. The provisions of **GASBS No. 76** are applied retroactively and may require restatement of amounts previously reported or reporting of amounts differently. Please refer to **GASBS No. 76** to ensure a thorough understanding of the new reporting requirements prior to completing this attachment.
 7. For additional preparation guidance, refer to **Preparation of GAAP Basis Financial Statement Templates (Attachments 9-13)** in this Directive and **Authoritative Literature/Guidance for Preparation of GAAP Basis Fund Financial Statement Templates**, which can be found on DOA's website at www.doa.virginia.gov.
