MEMORANDUM

TO: Fiscal Officers

FROM: Joseph Kapelewski, Assistant Director
Compliance Assurance

SUBJECT: Environmental Impact Report for Agencies and Institutions

In accordance with the Code of Virginia, Section 10.1-1190, the State Comptroller shall not disburse payment for major capital projects (over \$500,000) unless an Environmental Impact Report (EIR) has been completed by the Department of Environmental Quality, and approval has been obtained from the Secretary of Administration.

Attached is a complete listing of capital projects including those for which we have received an approved EIR for the period April 1, 2013 through June 30, 2013. Please ensure that your agency's capital outlay expenditures are not made prior to the project appearing on this listing. If a capital project has been approved and does not appear on this list, please provide me with a copy of the approval. This listing will be updated and posted on our website on a quarterly basis.
