NOTE: Special Pays that are defined as “Supplemental Wages” in the IRS Regulations must be taxed at the current Supplemental Tax Rate UNLESS there are additional regular wages being paid concurrently with the Special Payment.

Consult the document found on the DOA Website entitled “[Statewide Special Pay Codes – Examples of Combinations of Indicators](http://www.doa.virginia.gov/Payroll/Forms/SpecialPaysProcessingHints.pdf)” (http://www.doa.virginia.gov/Payroll/Forms/SpecialPaysProcessingHints.pdf) to determine appropriate indicators to use on the HUE01 Screen.

Contact the Payroll Operations Section of DOA if your agency has unique payroll needs that you feel can be accommodated through the use of special payments. Remember, however, that DOA must establish special payments at the company (agency) level in order for them to be processed for your agency.
