Payline Upgrades

Payline has been modified to allow individual employees to request changes to name, address and federal and state tax withholding information. The requested changes will be transmitted to agencies via e-mail to Human Resource and Payroll contacts, as determined by individual agencies, and should be updated in the appropriate systems, i.e. CIPPS and/or PMIS. All changes to federal and state tax withholding must be supported by a paper copy of the appropriate tax form (W-4, VA-4, etc) submitted by the employee to the Payroll office.

Changes may be requested to the following fields:

- A. Employee Name: First, Middle, Last
- B. Employee Address
- C. Employee Home Phone
- D. Employee Work Phone
- E. Employee Federal Tax Marital Status – W-4 required
- F. Employee Federal Tax Exemptions – W-4 required
- G. Employee Federal Additional Tax Election – W-4 required
- H. Employee State Tax Marital Status – VA-4 required
- I. Employee State Tax Exemptions – VA-4 required
- J. Employee State Additional Tax Election – VA-4 required
- K. An employee comment box
- L. The employee's e-mail contact information (pulled from their personal options information).

Payline can be accessed using the following web address:

Payline Contact Information Agencies are asked to supply the following information as soon as possible to ensure that changes requested by employees through Payline are communicated appropriately:

Human Resources Contact Email Address
Payroll Contact Email Address
Payroll Service Bureau Representative Email Address.

The attached form must be completed by each agency and submitted to DOA. When employees request changes in Payline, an automated email will be sent to the HR and Payroll contact personnel detailing the changes. The email should be retained as source documentation for all changes except the tax changes. **The employee must complete the appropriate tax form and submit it to the agency before any changes are made in CIPPS, regardless of what the employee has entered in Payline.**

Note: Until the contact information requested on the form is provided, emails generated by employee changes in Payline will go only to the agency Payroll contact email currently on file.
