Payments to Board and Commission Members

IRS Challenge to Methodology The IRS has challenged the methodology some agencies have used to pay and report compensation received by board members for attending board meetings. As documented on page 21 of the CAPP Topic 20320 (link provided below), entities are instructed to contact the Attorney General's office for guidance.

FBMC Focus Group

FBMC Focus Group There will be an FBMC Focus Group Meeting on Tuesday, April 17, 2007. The group will meet in Conference Room E of the Monroe Building at 9:30 am.

The meeting provides a forum for interested Benefit and Payroll Administrators to meet with representatives from FBMC to discuss issues and /or changes in procedures associated with the administration of voluntary supplemental insurance, annuities (403(b)), and cash match (401(a)) products provided through the Virginia Provider Network. In addition, it provides an opportunity for FBMC to meet new Virginia employees and answer any questions they might have about the process.

Please email Cathy McGill at cathy.mcgill@doa.virginia.gov by April 10 if you plan to attend.

EZ Reimburse (Debit) Card This meeting also provides an opportunity to find out more about the new medical reimbursement account stored value card option available to employees during open enrollment this year.
