Class Information

Due to the interactive on-line requirements, the classes will be held in the DOA Training Room and *are limited to 16 students*. Therefore we ask that agencies do not sign up numerous employees for the same class. **Also, it is imperative that attendees have keyboard experience and should have spent some time navigating through the CIPPS screens.** If you are not directly responsible for processing but *oversee the function* you can contact State Payroll Operations (payroll@doa.virginia.gov) to discuss the option to audit the class without hands-on access. The courses are not open to the General Public.
